

# Take charge of saving money on your medications with OptumRx drug pricing digital tools

There's a quick, easy way to find the best prices for your medications with the new drug pricing and information tool on **optumrx.com** and the OptumRx<sup>®</sup> app.

## Get personalized, accurate drug pricing anywhere

- Sort medication options by lowest prices, and nearest pharmacy to your home.
- Search for your drug before you have it filled, so you know if your plan covers less expensive medications.
- View medications based on your preferred pharmacy, including ability to see OptumRx home delivery pharmacy pricing. The tool remembers where you last filled your medication.
- Filter searches based on your preferences, such as 24-hour service or drive-through.

# Start searching for savings today

Log in to **optumrx.com** and select **Drug pricing and information** from the member tools dropdown

Download and open the **OptumRx** app, then select **Search drug pricing** 

## Avoid confusion with information alerts

Sometimes getting medications filled can be confusing. The drug pricing and information tool shows alerts that let you know if a drug will have a negative interaction with another medication you're taking, or if a specific medication is not covered under your plan. We want you to have all the facts.

1. Based on an internal OptumRx analysis of adjudicated claims through October 2019. Average percentage savings across book of business. Savings may vary by member. Not a guarantee of savings.

#### optumrx.com

WP1658844

OptumRx specializes in the delivery, clinical management and affordability of prescription medications and consumer health products. We are an Optum® company — a leading provider of integrated health services. Learn more at optum.com. All Optum trademarks and logos are owned by Optum, Inc. ©2019 Optum, Inc. All rights reserved.

Average cost savings for those who use the tool—and make a change—is about 55% per medication.<sup>1</sup>
